## Meet the Counselors

This year we have Mrs. Weil who is the full time counselor who is here everyday. She has a huge task of working with students in grades kindergarten, first, second, fourth and fifth. She suggests that parents

make an appointment if they would like to have some time with her.

Returning for one day a week is Mrs. Deas who will be here each Wednesday. She will work with students

in third grade and assist Mrs. Weil with event planning, writing 504 plans and much more. She retired at the end of 2016 but is very happy to be back at school for one day a week.
